Introduction

Salooni is located in Chamba district of Himachal Pradesh, India, serves as the tehsil headquarters and administrative sub-division and situated at an altitude of 1829 meters at the distance of 55 kms from the district headquarter Chamba at MDR 89 (Chamba to Bhadrwah Inter-state Road). The place offers a stunning panoramic vista of the snow-clad hills and peaks of Pir Panjal and Dhaula Dhar and situated at the top of a ridge and opening into the Bhandal valley and also serves as a passage to Bhadarwah in Jammu and Kashmir, one of the oldest Chamba-Jammu cultural routes. Salooni is situated at a distance of about 65 Kms, 85 Kms and 146 Kms respectively from Khajjiar the '*Mini Switzerland*' of India, Dalhousie a world-famous tourist place, Pathankot (the nearest railway station) and at 159 kms from the nearest airport Kangra (Gaggal).

Salooni is renowned for its breath-taking views of the Pir Panjal Range, providing visitors with a clear, snow-capped spectacle throughout the year. According to one version, the name "Salooni" is said to have originated from the word "*Sailani*," meaning tourist, as the place has been frequented by tourists since the era of the Rajas of Chamba. Another interpretation suggests that due to its natural allure, the place was named "*Saloni*", signifying attractiveness and charm in English.

Government Degree College Salooni, opened on 11th July 2006, has been making steady strides in academic excellence under the patronage of the Government of Himachal Pradesh. With a dedicated team of six faculty members and an enrollment of 275 undergraduate students in the 2024-25 session, the college continues to provide quality education in a serene and inspiring environment. Being a government institution, it is fully funded by the state and central Government and is affiliated with Himachal Pradesh University, Shimla. In alignment with modern educational advancements, the college adopted the *Choice Based Credit System* (CBCS) for undergraduate classes from the academic session 2013-14, following the guidelines of *Rashtriya Uchchatar Shiksha Abhiyan* (RUSA). For students aspiring to serve in the defence forces, the college has an active NCC unit under the *9 HP Battalion NCC Dalhousie Cantonments*, which helps develop discipline, leadership skills, and a pathway to defence careers. Social awareness is further strengthened through the *Red Ribbon Club*, dedicated to educating students and the community on AIDS prevention. These associations contribute to academic enhancement, student welfare, and community engagement, fostering an inclusive and participatory educational environment.

Further strengthening the college's commitment to excellence, the *Internal Quality Assurance Cell* (IQAC) is dedicated to systematically improve the academic standards and infrastructure and playing an instrumental role to ensure quality education by planning and executing short-term and long academic plans. Choice Based Credit System (CBCS)

From the academic session 2016-17, H.P. University has adopted the UGC framework of curriculum under CBCS to ensure uniformity in the standards of higher education and to provide the students quality education at par with the best in India. The CBCS provides an opportunity for the students to choose subjects from the prescribed courses comprising; *Core, Elective and Skill* based. In this system the courses are evaluated following a grading system, which is considered to be better than the conventional marking system. The uniform grading system in the entire higher education sector in India will benefit the students to move across institutions both within India and outside. The uniform grading system will also enable potential employers in assessing the performance of the candidates. In order to bring uniformity in evaluation system and computation of the *Cumulative Grade Point Average* (CGPA) based on students' performance in examinations, the U.G.C. has formulated the following guidelines to be followed:

The U.G. programme under CBCS in the college affiliated to H.P. University will comprise of the following categories of courses:

Following courses are available in the category of elective courses:
 - 2.1 Discipline Specific Elective (DSE) Course:** Elective Course offered by the main discipline/subject of study is referred to as Discipline Specific Elective. The University/Institution may also offer discipline related Elective Courses of interdisciplinary nature (to be offered by main discipline/ subject of study).
 - 2.2 Dissertation/Project:** An elective course is designed to acquire special/advanced knowledge, such as supplement study/support study to a field project work. A candidate studies such a course on her/his own with an advisory support by a teacher/faculty member which is called a dissertation/project. A Project Work/ Dissertation would be of 6 credits which may be given in lieu of a Discipline Specific Elective paper.
 - 2.3 Generic Elective (GE) Course:** An elective course chosen generally from an unrelated discipline/ subject with an intention to seek exposure is called a Generic Elective course.
- 3. Ability Enhancement Courses (AEC):** Ability Enhancement Courses are of two kinds:
